# What is the moral of ....

The starfish is like your **child**

Your child is our **gift**,  
the focus of our work in  
Punggol View

He or she is very **precious** to  
everyone of us

# To Make a Difference

We want to **grow** every child so that he or she will eventually **glow** as our **STAR**

One who is **S**pecial, **T**alented with **A**spirations and is anchored in the **R**<sup>3</sup>ICH values

**R<sup>3</sup>ICH** values:

Respect, Responsibility, Resilience,  
Integrity, Care & Harmony

# Our Philosophy

## Values-based, Holistic Education

---

We believe in **nurturing the whole child** by guiding our students to develop their **moral, emotional, social, cognitive, aesthetic and physical (MESCAP) domains**

to the fullest so that they will become **good and useful citizens of tomorrow**

# Our Philosophy

Values-based, Holistic Education

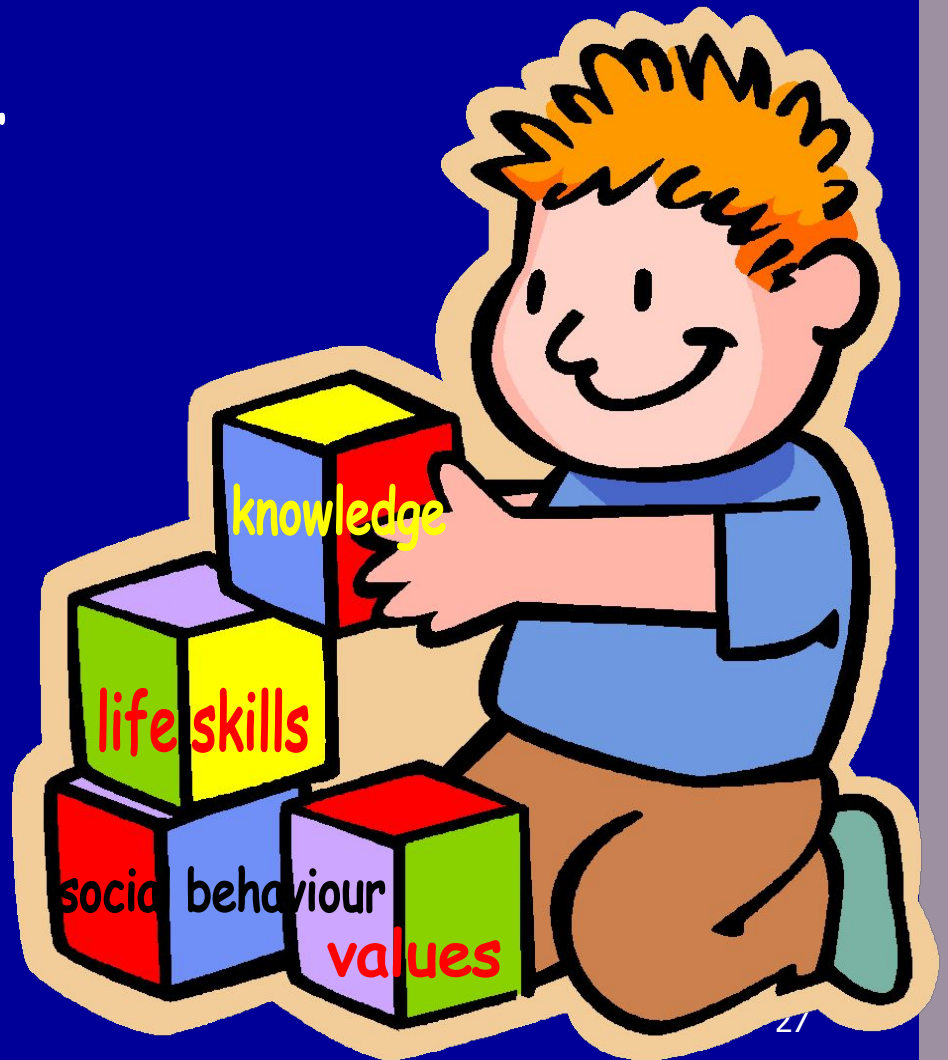

---

Do the Right Thing  
And  
Give of Your Best

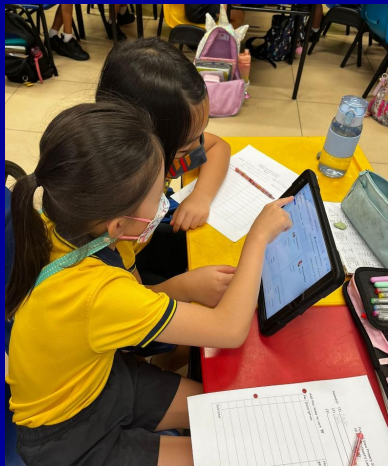

# *Aim of Primary Education*

- To lay a strong foundation
- To nurture the whole child

# MOE's vision Future of Learning...

The enhanced 21CC framework will now place a greater emphasis on adaptive and inventive thinking, communication, and civic literacy. Mr Chan said schools have to develop students' values and competencies, which will be critical for them to be able to navigate a world defined by information overload and rapid change.

THE STRAITS TIMES, SEPTEMBER 20, 2023

# HOW is learning organised in Punggol View Primary School ...

*The school adopts SEED programme  
(Strategies for Effective Engagement &  
Development)*

- Class size of 30-32
- Literacy programme with focus on reading
- More activity-based lessons e.g. learning centres, learning journeys
- More teacher-prepared materials; textbooks as resources
- Informal, continual and alternative assessments; beyond pen-and-paper ( Holistic Assessment since 2013)
